

# 1...2...3...Start!

**DON'T LET YOUR BUDGET FREEZE. TAKE ADVANTAGE OF OUR DEFERRAL OFFER TODAY.**

Does your institution need to make capital purchases today but are waiting for the budget dollars of your new fiscal year? CoreTech is making it easy to acquire the equipment needed now while deferring the lease payments to a later date.

### How it Works:

**WE:** pay the vendors on your behalf.

**YOU:** Install the equipment at your own pace. No payments will be due until your new fiscal year.

### 90-day deferral:

- No payments for 90 days, followed by 36, 48 or 60 monthly payments
- Fair Market Value (FMV) and \$1 Buyout structures available
- Minimum purchase of \$50,000
- Include ALL costs such as hardware, software, maintenance and installation

**APRIL**  
SELECT VENDOR

**JUNE**  
INSTALL EQUIPMENT

**AUGUST**  
START LEASE

**DECEMBER**  
SUCCESS!

### ADVANTAGES OF FINANCING:

- Flexible structures that allow your institution to remain nimble
- Predictable costs mean fewer surprises
- Leasing increases your cash flow
- Combine multiple vendors into a single low monthly or quarterly payment
- Keep your technology current
- Customized structures to fit your specific requirements
- 100% financing can include equipment, costs
- You manage the vendors; we pay the bill
