

## **CoreTech Leasing Congratulates Four Newest Certified Lease & Finance Professional (CLFP) Designees on Their Accomplishment**

Newport Beach, CA – January 21, 2021 – Independent technology and equipment lessor, [CoreTech Leasing, Inc.](#), is honored to announce that four of CoreTech Leasing’s professional services team, Amy Hall, Director of Lease Administration, Heather Broadwell, Lease Administrator, Jose Cortez, Accountant, and Robert Wallace, Sr. Account and Portfolio Manager, have achieved their CLFP , the industry’s most rigorous designation for lease and finance professionals.

The expansion of the four newest CLFP designations exemplifies CoreTech’s commitment to excellence, industry best practices, and our mission to deliver unmatched value to our clients and partners.

The [Certified Lease & Finance Professional](#) (CLFP) designation is the preeminent credential for equipment leasing and financing professionals throughout the world who have demonstrated competency through testing of knowledge, continuing education and a commitment to their business practices and dedication to the industry.

Amy Hall, CLFP, is CoreTech’s Director of Lease Administration and an accomplished finance professional whose 20+ years of experience in the finance industry illustrate her dedication to what is best in the profession she proudly serves. In her decade+ serving CoreTech, she exemplifies leadership.

Heather Broadwell, CLFP, is a Lease Administrator who works directly with our internal and external teams to ensure best practices are applied throughout the lease lifecycle and collaborates with all the key stake holders to ensure a seamless lease experience from engagement through funding through end of lease-life.

Jose Cortez, CLFP, Accountant, is an exceptionally diligent accounting professional with a demonstrated track record for driving efficiency and accuracy in risk management and financial reporting.

Robert Wallace, CLFP, is a Sr. Account and Portfolio Manager with over two decades of expertise in the nuances of the lease-lifecycle, refinancing and restructuring equipment leases, leadership, mentoring individuals and working hand-in-hand with both the sales team and CoreTech clients.

Scott McFetters, President of CoreTech Leasing, comments: "I congratulate the team on their hard-earned accomplishment. The CLFP designation is the highest standard of excellence in our industry and requires tremendous expertise and dedication to accomplish. Not only does the designation raise the bar internally but adds value to our clients every day. CoreTech's mission from day-1 has been to educate the market and lead with best practices; the recent accomplishments of the team further all of this to our goal of excellence in the industry. Congratulations, team."
